Ten frames

Name: _____

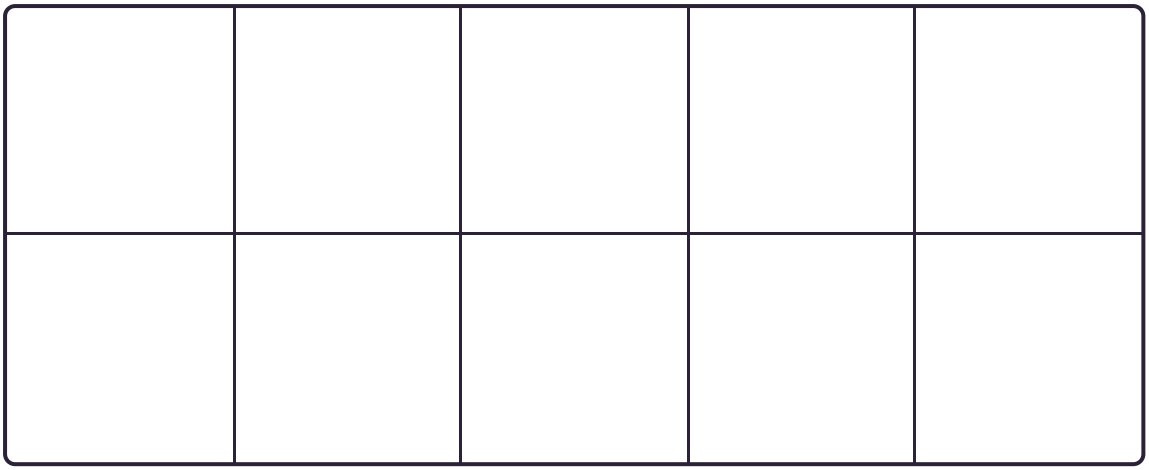

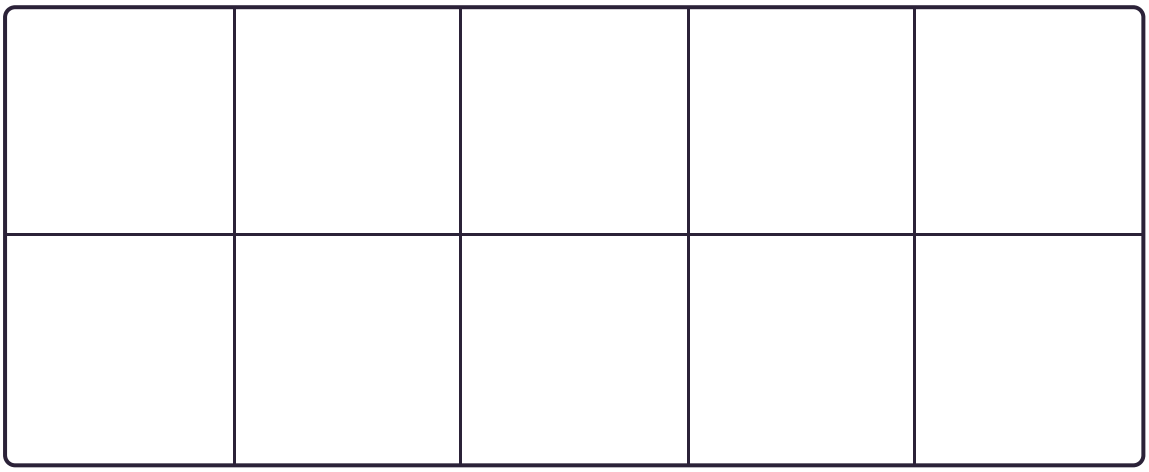

Put one counter in each box. How many boxes are full? How many are empty? A full frame is ten.

Ten and some

Name: _____

tens	+	ones	=	number

Fill the first frame, then put the rest in the second one. Thirteen is ten and three.

Cub counters to cut out

Name: _____

Cut out the circles: ten cubs on warm yellow and ten on cool mint. Use them on the ten frames.

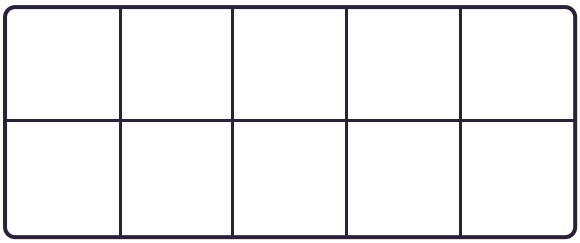

Show the number

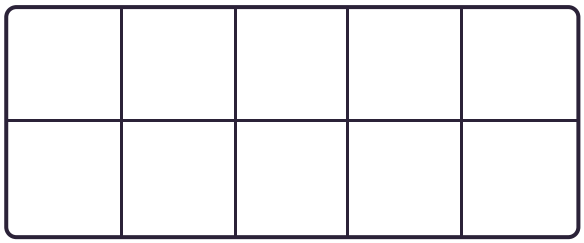

Name: _____

Draw a dot in a box for each one. Start at the top left.
